Detroit Opera Costumers

March 28, 2024

On Monday, February 26th, Roopa Chauhan arranged an interview with opera singer Kisma Jordan, who was hired as an actor in John Cage's *Europers 3 & 4* for an upcoming article with runner magazine. As part of this behind the scenes experience, we were also invited to observe the fitting of Kisma's costume and meet the Detroit Opera Costumers in person. The following images taken by Detroit-based photographer Niki Williams to document this moment.
