Return to Acid Planet - Vol 1

Heniac

May 5, 2022

Heniac joined Junted for the label's conception party in 2017, which was his introduction to DJing. And after a few years of dabbling with music production, released his first single on a Junted compilation in 2020 which featured the Based God himself, Lil B. Later that year Junted distributed his first EP, 'Angor', in Nov 2020.

RETURN TO ACID PLANET is a series of mixes curated by madeofants - all artists in this series are represented by the Detroit-based label - Junted -
