

## Return to Acid Planet - Vol 4

Secret Shower

May 26, 2022

Though treacherous, the journey to Acid Planet was finally over. Once the crew had arrived, Heniac noticed something strange on the ship that didn't seem to make sense. It was tucked away behind a bunch of gear and appeared to be a portal covered by a shower curtain. He alerted Capt. Applewhite and the pair decided the only option was to explore it. Once they pulled back the silky curtain it was very apparent that Heniac had discovered the mythical Secret Shower. The next 50+ minutes is the actual audio recording of what happened next.
