

ASTROLOGY

QUARTER 3

iii

On July 2 Venus in Leo squares Uranus in Taurus. This is the beginning of a mutiny in regards to romance and values. An explosion of self-worth and delusional confidence lying in wait. A Capricorn full moon on July 3. When the parental archetypes are in opposition, rationality and emotion engage in a battle where the goal is wisdom. No limits, no imitation. On July 7 Mercury in Cancer opposes Pluto in Capricorn. Overthinking and deep, dark thoughts can lead to lunacy. Don't succumb, or do, but you may not have a choice. On July 11 Mars enters Virgo. Perfection can leave us fixed in a cycle of self-disappointment. Use the energy of a grounded Mars to lead with your desire. On July 12 Mercury enters Leo. Stroke the lion's mane, pry the jaw open and fiendishly express your truth. Offend your friends for fun.

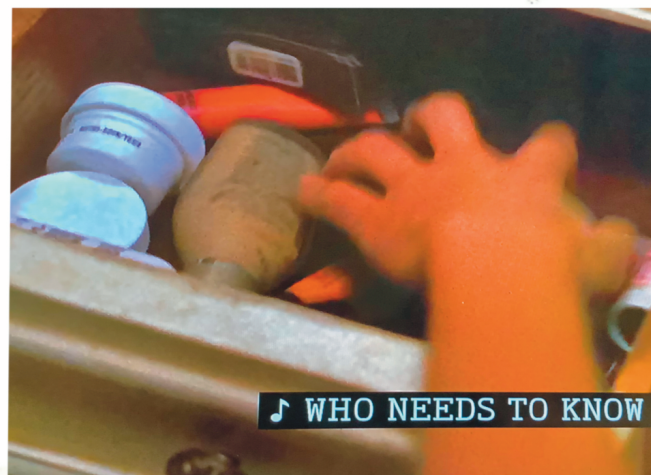

☰ On July 17 Mercury in Leo squares Jupiter in Taurus. When expanding in thought be cautious as the devil lies in wait. Also on July 17 we have a New Moon in Cancer. Lie in the grass with the sun hitting side-profile. Allow your potential to flow while keeping a grip on reality. Notice how tightly they hold your hand. On July 20 Mars in Virgo opposes Saturn in pisces. Communion with reality and pleasures of the heart. The Sun enters Leo on July 22, letting the light in tonite queen? On July 23 Mercury in Leo squares Uranus in Taurus. Rising vulnerabilities of the recent past. Venus in Leo goes retrograde. Every anamour at your back door screaming cuz they wanna come in. Slow down and recount your previous freedoms. The chain around your neck can be lifted on your own volition. You have until early September. The retrograde Venus in Leo meets up with Mercury in the same sign on July 27. Repression begets tyranny. It's time to catch up. On July 29 Mercury enters virgo. Clarity brings you down a peg.

VENUS

On August 1 Mercury in Virgo opposes Saturn in Pisces. Spinning in tea cups will make sick the purest of hearts. Pour one out for an angel. The full moon in Aquarius on August 1. Nobody knows what day it is. On August 8 Venus in Leo (retrograde) once again finds itself in conflict with Jupiter in taurus. Now that the flames have died down to embers, reflect on the wealth of the previous month. The retrograde Venus in Leo revisits Jupiter in taurus on August 22. That thing you said a few weeks ago, the one keeping you up at night, put it to rest. The retrograde Neptune in Pisces lines back up in opposition to Mars in Virgo. Narcissus died a virgin freak but at least daffodils took his place.

The sun enters Virgo on August 23. Draped, wet muslin. Blessed are the pure of heart for they shall see heaven. The full moon in Pisces occurs on August 31. You've yearned for a meeting of your inner and outer worlds. No more wallowing in murky waters. Venus stations direct in Leo and your earlier obsessive thoughts around wealth and romance can start back up again. On September 14 a new moon in Virgo. Community cannot exist without faith. Venus in Leo will square a retrograde Jupiter in taurus once again but this time the higher purpose seems petulant. The Sun enters Libra on September 23. Venus won't give Psyche a break but Eros is there to mediate into the Autumnal Equinox. Curiously occurring in a season of indecisiveness. This quarter bows out with a full moon in Aries reminding you to put yourself first sometimes.
